Contents

1. General Introduction	7
2. Seasonal dynamics in leachate hydrochemistry and natural attenuation in surface run-off water from a tropical landfill.	35
3. Microbial nitrogen transformation potential in surface run-off leachate from a tropical landfill.	59
4. Microbial community structure and dynamics in relation to hydrochemistry of surface run-off water from the Jatibarang landfill in Indonesia	81
5. Hydrochemical characterization of a tropical, coastal aquifer affected by landfill leachate and seawater intrusion.	99
6. General Discussion	115
Samenvatting	123
Summary	127
Ringkasan	131
Acknowledgements	135
